## Changes to the Written Content of Products and Attached Documents, etc., Following the Company Name Change and Head Office Relocation

We are deeply grateful for your continued patronage.

It has been decided that on February 12, 2020, our company's name will change, and our head office will be relocated. In light of this, the content written on products and the attached documents, etc., will also need to be changed, so we have provided the following instructions.

We will continue to put in the utmost effort so that everyone can make the most of this opportunity, and would like to thank you for your continued patronage.

### Notes

1. New company name     Hitachi High-Tech Corporation
2. New address     1-17-1 Toranomom, Minato-ku, Tokyo 105-6409, Japan
3. Phone number   +81 3-3504-7111   \*No change

### Content and timetable of the switchover

The following items will be changed to reflect the new company name and head office address, starting from those produced on February 12, 2020.

- Products and attached documents, etc.
- ◆ Safety labels, safety data sheets (SDS), packaging, etc., of chemicals

Please note that we will continue to include our current company name and address on items that we distribute for the time being.

Our manufacturing facilities are the same as before, so there will be no change in product quality or product names.

Customers using Hitachi clinical analyzers and Hitachi magnetocardiographic systems will receive a separate explanation in accordance with the Act on Securing Quality, Efficacy and Safety of Products Including Pharmaceuticals and Medical Devices.
